

Bohning Collegiate Archery Program

Over our 75+ year history Bohning has supported archery programs across the US and Internationally. We hope to inspire lifelong interest in the sport of archery, whether that is through target archery or hunting. We love to partner with Archery Clubs and Schools to promote fun, safe, and responsible habits in our youngest participants of the sport we all enjoy.

What we are offering:

- Bohning will supply each approved collegiate archery club/school a substantial discount off retail pricing on all Bohning products purchased through the club. Pricing will be equivalent to an entry level archery dealer. Members of your club can receive this same discount with proof of club membership.
- Support for any questions concerns regarding our products.
- A Bohning banner to hang at your club.
- A **FREE** welcome package that includes Bohning Collegiate Archery stickers, and a top-of-the-line fletching jig.

What we'd like from you:

- The club must complete the attached Collegiate Archery Club Application
- Send us a picture of the members of your club (preferably in front of our banner once you receive it).
- Notification of events and wins your club has so we can promote you through our social media.
- Send images at least 2 times annually of events, practices, tournaments, club members or students (see application regarding photo releases).

We welcome you to fill out our Archery Club Application. If you have any questions, please feel free email us at:

info@bohning.com or call us at 231-229-4247.
